Redwood City Gives Approval To Port Bonds

Other Sections Refuse To Lend Credit To Project

Rejected heavily in Burlingame and San Mateo where special interests centered a campaign of opposition, the proposed $460,000 harbor bond issue for development of a deep water harbor on Redwood creek was defeated at yesterday's polls.

Redwood City itself favored the development by a two to one vote, but the bonds here and in neighboring communities did not secure sufficient approval to offset the certainty of the vote in the mid-peninsula area.

Semi-official totals in 195 precincts gave:

Yes	11,049
No	14,867

Burlingame, where Mayor Allan F. Hunt, Santa Fe Railway agent, actively opposed the project, voted against the bonds by a margin of 1473 "yes" to 3748 "noes."

San Mateo was equally strong in its disfavor; voting 1384 "yes" to 3403 "noes."

South San Francisco, upper peninsula industrial city, which has gone strong for the port development in the past, also expressed a lukewarm attitude, approving only by the margin of 571 to 424 in eight of its 12 precincts.

The bonds were favored in San Carlos by a vote of 427 to 337; were defeated in Hillsborough, 123 to 449, and in Belmont, 177 to 232.

Atherton was another community to vote against the proposal, casting 219 affirmative ballots to 286 against it. Menlo Park did worse, with 345 approvals and 502 rejections.

$203,000 Gifts Lost

The harbor development, which would have cost a total of $663,000—$203,000 of which would have come in the way of gifts from the Public Works Administration—was opposed by railway interests, and outside shipping centers which feared the competition of the lower bay port.

The whole of San Mateo county was included in the port district which was overwhelmingly formed by the voters last June. At that time it was proposed to build the port under a federal lease arrangement, but this type of financing was abandoned by the government.

The harbor commissioners then proposed the bond issue, which the voters refused to approve yesterday. Virtual abandonment of the port district is now seen as a probability, with future maritime development of the peninsula definitely or perhaps forever abondoned.

Court Withholds Immediate Writ In M. P. Case

MENLO PARK, Aug. 28.—Both the city of Menlo Park and the Union Safe Deposit Bank of Stockton today are awaiting the decision of the stae supreme court on questions concerning delinquencies on payment of Menlo Park street improvement bonds and the bank's application for a peremptory writ of mandate to force the city to make provision for such payment.

The matter was taken under submission by the court late yesterday.

Announcement was made at that time that membership of the court was divided and that no decision could be made at the moment.

The bank is seeking authority from the court to force the city to pay $9807.50 of delinquencies. James T. O'Keefe Jr., Menlo Park city attorney, argued that the bank's petition for a peremptory writ should be dismissed for the reason that the bank failed to show that an emergency exists.

The bank had asked for an immediate peremptory writ claiming that speedy action was required in order to permit the levy of special taxes in the 1934-35 city rate of Menlo Park. O'Keefe denied that such an emergency exists for the reason that the tax rate has already been set at 85 cents and the budget has already been adopted.

Match Lit to Find Shutoff Blast Cause

Immediate cause of the explosion that partially wrecked a rear interior wall of the Bank of American branch at Broadway late Tuesday was a match lit to locate a stopoff in a drinking fountain, it was learned today.

Jack Bedell, local plumber, struck the match while at work on the fountain in order to see under it to make repairs. It was not struck to light a cigar.

Sequoia High School Football Eleven to Take Shape in Game Saturday With Sacred Heart

With the first serious scrimmage coming Saturday morning about 10:15 o'clock against Sacred Heart high school of San Francisco. Coaches Leonard Casanova and Al Terremere of the Sequoia high school football team are beginning to see their eleven take shape.

"Cas" will try out most of his men in the game, which is for practice only.

Blessed with an abundance of backfield material, Casanova's troubles are centered in the line, where he needs guards and tackles to replace losses from last year's Peninsula Athletic League champion eleven. He lost Kreiss and Meyers from the tackle position this week, when both men failed to register at school. Kreiss is going to work in Oregon.

Candidates for tackle are Zehner, Hazeltine, Svihus, Jellich and Ray, with no one of them scheduled to take over the position permanently. Saturday's struggle will determine to a great extent the tackle situation for the first real game September 8 with Polytechnic of San Francisco.

Candidates for guard are Bloxham, Tuxford, Danz, Wheeler, Sanders, Leonard and Dellaquila, the latter a made-over fullback. They're all about even in the competition for definite places on the first string.

At center is the veteran, Rhoda, with Pryor and Brockman likely alternates. Ends include Keller, Downs, Garbarino and Marchais. Marchais, a newcomer, has been doing pretty well in practice and will bear watching Saturday.

The backfield looks very pleasant, thank you. There's Elliott, Preston and Brodie at quarter; Junker and Hanners at half; Krogh at full; Lewis at full or half; and Cain at half or quarter. Roach will report for practice soon, but he won't be available Saturday.

Here's the schedule for the season, in case you want to paste it in your hat for ready reference:

September 8—Polytechnic, here.
September 15, Watsonville, there.
September 21—Tamalpais, here.
September 28—Stockton, there (night).
October 5—Menlo Park, here.
October 12—Burlingame, there.
October 19—San Jose, there.
October 26—Bellarmine, here.
November 2—San Mateo, here.
November 9—Palo Alto, here.

Menlo Park Fights 'Racket' Charge Against Police

MENLO PARK, Aug. 30.—A case of reckless driving involving Wilbur Burkhart, editor of a San Francisco daily newspaper, and settled long ago in the Menlo Police court when the defendant pleaded guilty and paid the minimum fine of $25, had its aftermath last night at a meeting of the city council.

James O'Keefe Jr., city attorney, was instructed by the council to write a letter to the American Automobile Association, explaining the true facts of the case.

The association has received letters of complaint from motorists evidently based on an article published in the newspaper the day after Burkhart's arrest. The article alleged that the city of Menlo Park was conducting a "racket."

Police Officer Tom Kearney, who arrested Burkhart, refused to allow him to drive after he had paid the fine, saying that Burkhart was "in no condition to drive." A bystander offered to drive Burkhart to San Francisco for a sum said to have been $5, and Burkhart accepted the offer.

The article in the newspaper charged that the whole affair was evidence of a "racket," and that the bystander was also involved.

Borden's Opens New Dairy Store After Alteration

Opening of their new retail dairy store and soda fountain was announced today by Borden's Dairy Delivery Company.

The new store, located at 2600 Broadway, represents an investment of nearly $15,000 and is one of the finest and most complete soda fountains on the entire peninsula, according to Mr. W. C. Schafer, district manager for the Dairy Delivery Company.

It is the sixth store of its type to be opened by the Borden Company.

Fountain drinks and dairy products of all kinds will be the specialty of the store. Practically every flavor and type of ice cream known to the industry will be carried at all times.

Mrs. Grace Wood, fountain expert, recently of Sacramento, will be in charge of the local store. She will have six Redwood City employees under her direction.

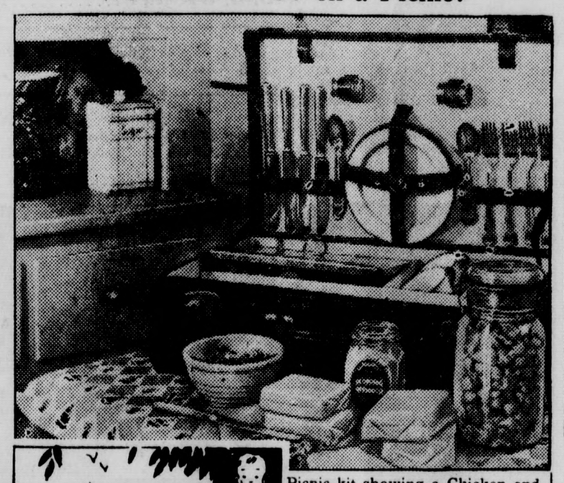
The creamery will be open from 7 a. m. to midnight daily to serve the public.

Risso Is Leader In Burlingame Justice Race

Justice of the Peace Gus Risso of Burlingame held a slight lead over Walter H. Vincent, candidate for the post, in their contest, semi-official tallies showed today.

Risso had 2889 votes to 2833 for Vincent.

What to Do When the Family Shouts, "We Want to Go on a Picnic!"



Picnic kit showing a Chicken and Vegetable Salad in glass jar.

What a fascination a meal out-of doors holds for most of us! As soon as a week-end or a holiday comes along, we take hold of the slightest excuse to have a picnic, provided we don't have to exert ourselves too much over the preparation. And now the grocers of Redwood City have decided to hold a special week offering picnic items that should be in every pantry.

To make the day just as little of a burden as possible, it is a good idea to take along some satisfying sandwiches and a substantial salad. A sandwich mixture that can be easily prepared and a salad that can be carried along in a jar and opened at the picnic are good to keep in mind. To keep the sandwiches fresh and prevent them from drying, the bread should be spread liberally with mayonnaise or mayonnaise used in the filling.

If the picnic salad is made up at home, it should be cold to begin with and carried in a tightly covered container. Lettuce should be wrapped in waxed paper first and then put into a container. Some canned or fresh fruit, a soup, and a few cookies make your picnic complete.

Here are some suggestions for your next picnic:

Piquant Egg Sandwiches

¼ cup relish spread
2 hard-boiled eggs, finely chopped

Blend ingredients thoroughly and spread on thin slices of wholewheat bread.

Spicy Peanut Butter Sandwiches

Blend peanut butter and relish spread, and spread on thin slices of white bread.

Liverwurst and Pickle Sandwiches

¼ cup cour pickles
1 small onion
½ cup liverwurst
3 tablespoons double-whipped mayonnaise
Few drops lemon juice

Put pickles and onion through the food chopper, using finest grinder. Work the liverwurst into a smooth paste and add the pickles, onions, lemon juice, and mayonnaise. Spread mixture thickly between thin slices of rye bread.

Tuna Fish Piquant Sandwiches

½ cup double-whipped mayonnaise
1 cup tuna fish
1 teaspoon prepared horseradish
Pimiento, finely chopped

To mayonnaise add remaining ingredients and blend spread between slices of bread. Makes 1½ cups spread.

Chicken and Vegetable Salad

1½ cups cold cooked chicken, diced
¾ cup celery, diced
¾ cup cold boiled potatoes, diced
¾ cup cold cooked peas
¾ teaspoon salt
2 small fresh tomatoes, skinned, and diced
1 cup double-whipped mayonnaise

Combine ingredients in order given. Chill. Serve on crisp lettuce with additional mayyonaise and slices of hard-cooked egg as garnish. Serves six.

Roast Beef Salad

¼ cup double-whipped mayonnaise
½ teaspoon prepared horseradish
¼ teaspoon salt
Dash of white pepper
Dash of paprika
½ cup cooked potatoes, diced
2 cups cooked string beans
1 cup cooked roast beef, diced
1 teaspoon vinegar

Blend mayonnaise, horse-radish, vinegar, salt, pepper, and paprika. Combine with potatoes and beans (cut lengthwise and then crosswise into ¾-inch pieces). Chill until ready to serve. Add beef and toss together lightly. Serve on crisp lettuce with radish roses. Serves six.

San Mateo to Pay Delinquent Bonds

SAN MATEO, Aug. 29.—The city council at a meeting here last night voted a 11½ cent tax to pay for delinquent 1915 improvement bonds.

It was announced, however, that the tax rate will be no more than $1.35 for the coming fiscal year. Contemplated increases in pay for police and firemen will not be forthcoming.

Burlingame Is Set for First Game Saturday

Hoping for "sweet music" when he makes his peninsula debut in prep football, Coach "Swede" Righter went about his way this week applying the polish to his Burlingame High School football team for their initial game of the season, with Lowell's eleven Saturday afternoon on the Burlingame greensward.

Righter faces the Lowell machine without full knowledge of what his forces can do, as he has had but two weeks to acquaint himself with the Burlingame squad and their ways.

However, the former College of Pacific mentor figures he can put a good line on the field, with an experienced backfield.

At this writing the Panther team has but one man who is really capable of carrying the mail, and he is a rejuvenated lineman. Harry Aldiss is the boy. Aldiss has everything in the line of "intestinal fortitude," which is the fundamental thing in a good fotball player, and has grasped his new fullback position with much enthusiasm. His 180 pounds help. Funke is ready to assist Aldiss if necessary.

At the halfback positions Righter is still undecided as to which two of his many candidates will start. It'll be two of the following: Howell, Sickenger, Fitzpatrick, Rushton or Considine.

In the Burlingame forward wall Crawford, Keithly, Forrestier, Weniger and Sheehan are battling it out for the end position, while Captain Luddy maintains one of the tackle posts, with White the most likeable man for the other tackle spot. Richards, Williamson and Gellicoe are putting up an argument as reserves.

Denny looks the best guard on the peninsula squad, with Colby, Knapp, Johnson, Crowe, McCool and Harold Aldiss pulling for the other berth.

Hunt and Devine are scheduled to play the game alernately at center. Both of these boys have older brothers playing the game successfully at college.

Skyline Death Still Mystery

Identification Fails; Chart of Teeth Is Only Clue

Mystery today still enveloped the death of a woman whose nude body was found on Sunday 200 feet off the Skyline boulevard on the King's mountain road.

With the dental work of the woman the only clue to her identity, two attempts at identification had failed today.

Mrs. Lillian Bangs, San Francisco, view the body late Monday in the belief that it might be her niece, Ruth Sharp, 19, who disappeared two months ago. She declared the hair to be similar but said that the fingers were not at all similar.

The possibility that the woman might have been Nellie Barnes, 17, missing Berkeley fan dancer, was also dispelled when that girl returned to her home.

In the meantime, descriptions of the body and the peculiar dental characteristics were broadcast all through the state, but no reply had been received by this afternoon.

Legion Installs Officers After Parade to Hall

New officers of Redwood City Post No. 105, American Legion, were installed Monday night at Veterans' Hall, in ceremonies which were commenced with a parade along Broadway led by the San Mateo County Drum and Bugle Corps in new uniforms.

The installation was conducted by the degree team of the county 40 and 8 society under the direction of Glenn Hall Sr., commander, and Capt. Carl Herman.

The newly installed officers are: Fred W. Crumb, commander; C. M. Becker, senior vice commander; Lewis G. Corbin, junior vice commander; R. H. Bennett, adjutant; Carl S. Underwood, finance officer; G. F. Chaney, chaplain; Richard Aragon, sergeant-at-arms.

A large number of visitors from other peninsula cities was present. Refreshments were served.

Between January, 1931, and July, 1933, there were a total of 5210 airplane accidents in the United States, and more than half of these accidents occurred in making normal or forced landings.

Swimmer Dies In Coast Surf

Deputy District Attorney Harold Anderson, of Redwood City, nearly lost his own life after a vain attempt to rescue a friend late Sunday afternoon, who drowned in the Pacific ocean while swimming a quarter of a mile off San Gregorio Beach.

The friend, William Turner, 28, of Richmond, a former aviation pupil of Anderson, went down when the latter was only 20 feet away in his rescue attempt. His body had not been washed up by the ocean today.

Anderson, who swam out with a plank in his effort to reach Turner and bring him to shore, declared today that he had a terrific fight return to the beach himself through the fierce undertow and high breakers. He was in the water for about an hour.

Turner and Miss Annette McGee, 23, of Berkeley, were with Mr. and Mrs. Anderson at the beach on a picnic.

The former two, both excellent swimmers, decided to take a plunge in the surf, although the Andersons attempted to dissuade them.

Turner and Miss McGee, however, went in and swam nearly a quarter of a mile out. Then Miss McGee turned back and returned to shore, while Turner remained.

Shortly afterward, Anderson noticed that Turner was apparently in difficulties, tore off his clothes, grabbed up the plank and started for Turner, only to arrive too late. The official said today that Turner was of the type who refused to give up, and believed that he delayed making any signs of distress until he was too close to exhaustion to last until help come.

Miss McGee herself was also very weak when she got back to shore.

New Woodside Rd. Route Is Asked Of County

Fifteen property owners in the Woodside area Monday petitioned board of supervisors to adopt an entirely new route for the Woodside grade instead of attempting to realign and reconstruct the present roadway.

They suggested that it would be safer and serve more people to route the road from the foot of the grade up the floor of the valley to a point from which it could turn left and go in a straight line to Woodside. At some future time another branch could be built to Canada road through Woodside Glens.

The board was asked to limit present work on the Woodside grade to the pavement and not to acquire new right-of-way there.

The proposal was referred to County Engineer James S. James, who told the board that the alignment was investigated by the board two years ago. Among the petition signers were Selah Chamberlain, J. V. Neuman and George A. Merrill.

Two Men Hurt By Explosions At Local Bank

Two men were slightly injured, and damage which may run as high as $1,500 was caused by two explosions late Monday that blew out a large section of the interior rear wall at the Bank of America branch on Broadway and shattered plaster over almost all of the space occupied by the bank's bookkeepers.

Others in the bank were knocked to the floor.

Jack Bedell, plumber, and Albert Guisti, bank employe, were injured when hit by flying pieces of plaster.

Fire Chief Mark E. Ryan, who made an investigation of the explosions, expressed the opinion that they were caused by an accumulation of sewer gas.

The explosions caused two loud reports that could be heard for more than a block. Although they blew out a sizable section of the interior wall, they did not shatter any windows in the bank.

Besides the two injured, several other employes, including women, were knocked to the floor or suffered minor shock.

No fire was caused by the explosions, but a fire truck was dispatched to the bank as a precautionary measure.

J. E. Morrish, manager of the bank, and other officials today were making a survey of the damage. They were unable to give an exact estimate but expressed the belief that it might run as high as $1,500.

A MILE AND A HALF OF ICE REFRIGERATORS!

A mile and a half from cow-catcher to caboose...and every car packed tight with gleaming white *ice* refrigerators! That's the kind of train it would take to deliver all the *ice* refrigerators Californians are buying from their ice companies this season.

No wonder three of the nation's largest *ice* refrigerator factories...two of them right here in California...are working twenty-four hours a day. And even so, they're three weeks behind their orders!

WHAT'S BEHIND THIS HUGE DEMAND?

When 15,000 California housewives decide to buy new *ice* refrigerators from their ice companies in a single year, there must be a reason. And there is! Women are discovering that, after all, *ice* refrigeration is cheaper *first* and *last*...and better *all* the time. For a block of ice never gets out of order. And only ice provides *non-drying* cold that keeps foods fresh and tasty.

This Low Temperature Ice Refrigerator

Family Picnic Ends in Death

Woman Killed Under Wheels When Auto Rolls Backward

BURLINGAME, Aug. 29.—In a tragic ending to a family picnic, Mrs. Henry R. Hepler, 69, wife of the manager of the Benicia Brewing Company, was crushed to death late yesterday beneath their automobile on Skyline boulevard west of Hillsborough.

The Heplers had been picnicking with their daughter, Nettie, and her husband, James Kelly. They returned to their car, which was parked on an incline.

Mrs. Hepler was first to get in. The car started rolling backward. She was thrown out directly underneath the front wheels, one of which passed over her abdomen.

The Heplers live at 2 Pizarro avenue, San Francisco.

An inquest will be held here on Tuesday.

San Mateo 11 In First Clash Of Year Friday

Pointing for South San Francisco this Friday, San Mateo's gridders are going through a week's practice of fundamentals and brushing up on defense. Coaches Griffin and Williamson found many faults in the scrimmage with Poly last week, and are working the boys daily to eliminate defects.

Balboa defeated the Industrialites 18 to 6 last week, and the Bearcats hope to do as well. Griffin looks for a close game. The players are full of the old pep and ginger. Every player will be given a chance to show his worth, and some new stars may be uncovered.

The game will be played on the San Mateo gridiron. The kickoff is set for 2:30 o'clock.

San Mateo's starting lineup will be composed of two lettermen from last year's varsity, three lettermen from the frosh-soph team, four men with varsity experience, and two newcomers.

Williamson has built a strong line, with Jack Huber and "Til" Bianchini at ends. Lloyd Petty and Bob Barth, tackles. Joe Canzian and Ito guards, and Brown at center.

In the backfield, Griffin has named Nick Caludis and Krumze for the halfback posts and Londo Tocchini as signal caller. Henry Malinverno, plunging fullback of Bill Gill's frosh-soph team last year, will start at his regular post.

Swimming Meet Set At Belle Monti Pool

Leading swimmers from Northern California representing the San Francisco Young Men's Christian Association will perform Sunday at the Belle Monti Country Club pool.

Competitors include Bob Walker, who recently set a world's record for the 400-yeard backstroke. Walker will swim in the 220-yard backstroke. In the 50-yard free style will be Jack Gaylord, San Francisco high school champion, and Haines Freeland, Y. M. C. A. international champion.

Art Lindegren, holder of the fastest Pacific coast time for the 100 meters, will swim.

Land Law Violators Face Trial in Arizona

PHOENIX, Ariz., Aug. 31 (AP)—Legal action was under way today against alleged violators of Arizona's alien land law with two men bound over to superior court to be tried on charges of conspiracy to violate the act.

M. R. Webster, Salt Valley land owner and M. Rahmatula, Hindu, were ordered held for trial by Justice of Peace McKee who expressed doubt of the state's case against them.

Their hearing was preceded by a noisy automobile parade of white farmers through the valley, their automobiles displaying banners warning alien Japanese and Hindu agriculturists to peacefully leave the district.

Threats of violence against alien farmers were made last week but withdrawn when authorities promised legal action against violators of the alien land law which prohibits non-citizens from owning or leasing land.

Seaver Regains Form in Taking Match, One Up

DEL MONTE, Aug. 31 (UP)—With Charley Seaver, defending champion, steadily regaining his form and early leaders falling by the wayside, 16 golfers today went into the second round of play in the California amateur golf championships at Pebble Beach.

Seaver shot par golf in the first round to eliminate Ernie Combs, Long Beach, one up. It was the champion's best showing of the tournament and the performance re-established the former Stanford student as favorite.

Dr. Cliff Baker, Portland, runner-up last year, also gained the second round, but the 1933 semi-finalists, Jack Finger of Burlingame, and Harold Thompson of Glendale, and the co-medalist of this year's competition, Jack Nounnan of Los Angeles, failed to survive the "sudden death" round. Johnny Robbins, Portland, who shared medal honors with Nounnan, easily defeated Jack Gage, Santa Barbara, 5 and 4.

Girl Is Medalist

DEL MONTE, Aug. 30 (UP)—Fourteen-year-old Clara Callender, Monterey, held the medalist honors today as the annual Del Monte women's golf championships entered the first round of 18-hole play.

Miss Callender, former champion, shot 76, two over women's par in the qualifying round. Mrs. Robert Eyre, San Francisco, had the low net score with 93-21 for 72.

New Orleans Picked To Win Legion Title

CHICAGO, Aug. 30 (UP)—New Orleans today was favored to win its second American Legion junior world series in three years. The Southerners yesterday won the opening game of the three-game series from Cumberland, Md., 5-4, before 10,000 persons at Comiskey Park.

Mrs. R. L. Conner Taken By Death At Hospital

Mrs. Margaretta Gladys Conner, wife of Robert L. Connor, died Monday at the Community hospital. The family residence was at 302 Hopkins avenue.

Besides her husband she is survived by four children; Mrs. S. A. Morton and Catherine, Roberta and Robert H. Conner; a sister, Mrs. George Irving, of Oakland, and a brother, Norman Dambmann of Sparta, N. J. Mrs. Conner was a native of Baltimore, Md. She had lived in Redwood City for the past 20 years.

SWIM RACE POSTPONED

TORONTO, Ont., Aug. 31 (UP)—The Canadian national exhibition 15-mile marathon swim was postponed for a second time today because of the low temperature of the water. The race will be tomorrow morning, weather and water permitting. The women's 5-mile race will be at 2 p. m. Saturday.

Red Grange to Play In Game Tomorrow

CHICAGO, Aug. 30 (UP)—"The Galloping Ghost," with No. 77 on his back, will be out in Soldier Field tomorrow night playing for the Chicago Bears against the all-America college team.

Every football fan knows that means Harold ("Red") Grange, but some of them may not know that it will be his 221st game and the start of his 16th season on the gridiron.

Nine years ago he was the most publicized football player in the land, but at 9 o'clock this morning Grange reported to Coach George Halas just like the greenest rookie on the Bears' squad. Since practice started 15 days ago Grange hasn't missed a minute of practice, asked for time out or loafed a step.

SHIELDS PLAYS SUTTER

RYE, N. Y., Aug. 30 (UP)—Clifford Sutter of New York opposes Frank Shields, top-ranking American, in the quarter-finals of the eastern grass court championships today at the Westchester courts.

New Track Record Is Set at Belmont

Another capacity crowd witnessed the Belmont Speedway's motorcycle races last night, the feature of which was Jack Milne's new track record time of 1:17.05 for the four laps or mile.

Milne set his mark during the final scratch race, in which second went to Earl Farrand, Oakland "broadslider." Farrand won the final handicap event with Cliff Self driving a fast second.

Three Week-end Fires Cause Slight Damage

A blaze believed to have started from a carelessly discarded cigarette Sunday burned over 7 acres of grassland on the Bayshore highway at Broadway, Burlingame, endangering highway maintenance buildings, a lumber yard and other structures. Another grass fire Saturday burned over 75 acres and threatened eight homes in Burlingame Hills.

Damage estimated at $1000 was done last night when fire destroyed a mill shed at the C. A. Buck coal and wood yard at Burlingame.

5 Hurt in Peninsula Week-End Accidents

Six S. F. Women Ill From Poisoned Food

Three young San Francisco women were sent home this morning from Mills Memorial Hospital after overnight treatment for food poisoning. They are supposed to have eaten tainted potato salad at a Woodside house party.

The poisoning occurred at the home of Mrs. Edith Davidson. About 20 persons were at the party, but only six partook of the food, three of whom were taken to their homes last night after emergency treatment.

Those more seriously poisoned were Mrs. Davidson, Miss Beatrice Murname and Miss Genevieve Rigelhuth. All are out of danger, Dr. Robert F. Monteith reported.

British Columbia's honey production last year amounted to 1,163,350 pounds.

Vienna Heimwehr Raided By Police

VIENNA, Aug. 28 (UP)—A police riot squad of 50 men raided the Angerer street barracks of the Heimwehr today and disarmed and arrested more than 20 of the soldiers.

Officials made public no reasons for the sudden raid, which created excitement near Florisdorf, where two battalions of the Vienna Heimwehr are stationed.

The police and troopers engaged in several hand-to-hand fights before the latter were disarmed.

The raid was believed to be the beginning of a drive to exterminate Nazi influence within the Heimwehr, which in some sections has ben honeycombed with enemies of the government.

"Let's Have a Picnic!"
You can be ready in a few minutes if you take advantage of picnic specials offered this week
In co-operation with the Best Foods, Inc. the grocers whose names appear below are prepared to supply you with everything for a well-stocked picnic shelf. Then when the family shouts, "Oh, can't we go on a picnic?" all you have to do is bustle things into a hamper and answer, "All right, let's go."
Items That Belong in Every Picnic Basket
Best Foods Mayonnaise
This all-purpose dressing should be used liberally when making sandwiches. Keeps them fresh and prevents them from drying out. And, of course, you will use it on the picnic salad.
Horseradish Mustard
Purest mustard and fresh horseradish. Neither too hot nor too mild. Just right for sandwiches, frankfurters and cold meats.
Best Foods Relish Spred
Perfect, as is, in sandwiches. Blends with almost any other sandwich filler. Delicious on boiled ham.
Bread and Butter Pickles
The original fresh cucumber pickle, never soaked in brine. Picnics otherwise perfect have been almost ruined because the hostess forgot B&B Pickles. So put them at the head of your list.
Best Foods French Dressing
Perhaps your salad calls for French dressing. Here is one that we honestly think is better than homemade. And priced about half of what it used to cost.
Thousand Island Dressing
Does your menu call for a fish or egg salad? Ah, then by all means get a jar of this marvelous dressing. Also perfect as a cocktail sauce.
